Matt,

GP Crossett finally sent their workplan and QAPP. I'm really sorry I didn't send this to you sooner. They plan on starting up soon. Thanks for looking at this. I'm still waiting on feedback from Fayetteville. I'll let you know as soon as hear anything.

Sarah

Subject: Draft For Review

Sarah,

Please find attached the Draft Work Plan and related QAAP for the UAA associated with Coffee Creek. Once you have completed your review, please forward your comments back to me so we can capture / address them prior to final issuance of the Work Plan and QAPP. If you feel that we need to have a follow-up meeting or need any further information, please let me know.

Thanks very much for your guidance and assistance,
